all your contingent
workforce needs**

Neutral vendor managed services

Consolidate your recruitment agency relationships into one managed service to realise cost savings of up to 20%.

Neuven's neutral vendor service centralises the management of agency suppliers to ensure you have full visibility of your contingent workforce provision.

By working with Neuven, you can continue to work with your trusted recruitment agencies and access a selection of our 2000 dedicated healthcare recruitment agency partners; handpicked to ensure we consistently meet fulfilment targets and have the ability to tap into a broad range of skillsets across multiple industries in all geographical locations.

Our neutral vendor managed service delivers a fair and equitable cost-saving model and operational efficiencies through;

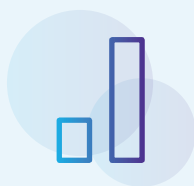

Eradicating excessive agency margins

Streamlining administration processes

Encouraging agencies to compete on performance, not rates

There are currently **152,000 vacant posts**, in adult and social care 2022/23¹

The NHS staffing gap in trusts in England stands at **112,000**. The growing and ageing population, coupled with new treatments and therapies, means that without action, the gap could grow up to **360,000 by 2037**²
